
ZONA ROSA

OUR HEROES WEAR SCRUBS

Thank you for downloading our coloring pages.

Medical professionals from around the world are giving selflessly to respond to the COVID-19 pandemic. They've shown grace and determination and put the needs of others over their own.

As they continue to put their lives on the line to help others, we can't help but show our appreciation.

In light of National Nurses Week, Zona Rosa is launching a project to honor our healthcare workers. We will install a window mural of hand colored pictures, completed by our community and to thank our health workers. For each picture submitted, Zona Rosa will donate \$10 (up to \$5,000) to North Kansas City Hospital's Employee Appreciation and Supplies fund.
